

Differentiation: Game Show Menu

You must choose at least one activity to complete from each topic area. You may not complete more than two activities in any one topic area. You must obtain approval for Free Choice activities prior to beginning work on that free choice. You must earn 120 points for a 100% and grading will be ongoing – turn in work for grading as it is completed.

The Flat World	Lagging Achievement	The Impact of Policy	Legacy of Educational Inequality	So Now What?	Points for Each Level
